Thank you for your enquiry regarding Agility Training.

- * Training sessions are held on Wednesday evenings at the Otaika Sports Park, commencing at 6.00 p.m.
- * Classes are suitable for all dogs, from the age of 12 months
- * The Agility Beginners Class is a 10wk class. You must have completed at least the Pet Dog Manners course, or be attending WDTA CGC classes, or a similar course or classes offered by a private trainer.
- * New classes begin in February, April and October.
- * No handler to be younger than 12 years.
- * You will be informed by e-mail or phone of your start date.
- * If your puppy is too young to start, you can be put on our waiting list. We recommend that in the meantime you undertake other classes to keep your training well-oiled and build your relationship with your dog. It is helpful if your dog has good off leash recall.
- * In everyone's interest, it is essential that your dog's vaccination is up to date, please bring the certificate with you on the first night so this can be checked.
- * Payment **must** be made with enrolment.

We look forward to meeting you and your dog shortly.
